Subject: Designation of NC 147 for use by Trucks with Twin Trailers

Dear Gentlemen:

It is our recommendation to designate NC 147 between NC 540 in Wake County and SR 2028 (T.W. Alexander Drive) in Durham County as a twin trailer route. This addition to the North Carolina Truck Network was initiated internally by NCDOT's Transportation Mobility and Safety Division. In accordance with designation procedures outlined in General Statute §20-115.1, we have completed the following requirements:

- A determination of public convenience and need (§20-115.1, g, 1)
- A traffic engineering study indicating the subject route can safely accommodate and has sufficient capacity to handle these vehicle combinations (§20-115.1, g, 2)
- The opportunity for a public hearing has been provided in each county through which the subject route passes (§20-115.1, g, 3)

We have not received any public opposition. Please contact me at (919) 707-2551 if you have any questions or need additional details including the specific findings of our investigation.

Sincerely,

J. Kevin Lacy, P.E.
State Traffic Engineer
